

Winston-Salem State University
Title III Program
Activity Performance Report

Activity Title

Director

Date

Section I - Executive Summary

Summarize in 250 words or less, the significant contributions your Title 111 activity has made this year toward improving the university's capacity to enhance the quality of its academic programs, student support services, or managerial effectiveness.

Section II - Objectives and Major Accomplishment

In this section, list your objectives for this year and provide a statement regarding the extent to which you have accomplished each one. Please use quantitative data to report progress made toward accomplishing the objectives (rates, percentages, proportions, etc.). Comparison with last year's data or any other baseline data should also be reflected in your report.

Objectives (year three):

Winston-Salem State University
Title III Program
Activity Performance Report

Major Accomplishment:

Section III - Objective for 4th year

List the objectives for year four of this five year grant. If you wish to revise them, you may report the revised ones. Please indicate revised in parenthesis at the end of the statement. Please be reminded that your objectives should reflect quantitative outcome measures. There should be a direct relationship between the objectives, the implementation strategies, and the work of those individuals who are paid from Title 111 funds to support your activity.

Section IV- Proposed Changes

In section IV, report any additional changes you wish to make in your activity. The changes must be consistent with the allowable activities.
